Rotaract

Rotary Club Partner

Rotaract, suitable for 18 to 30-year-olds, has a strong social aspect. Rotaract Clubs are more than just community service groups. Each club is part of a global effort to bring peace and international understanding to the world. This effort starts at the community level, but it knows no limits in its outreach.

Interact

Rotary Sponsored Club

Interact gives students aged 12-18 the chance to make a real difference while having fun. Every Interact Club carries out two service projects a year: one that helps its school or community and one that promotes international understanding.
