Basic Education and Literacy Goals

- Involving the community to support programs that strengthen the capacity of communities to provide basic education and literacy to all;
- Increasing adult literacy in communities
- Working to reduce gender disparity in education
- Supporting studies for career-minded professionals related to basic education and literacy.

Rotary
India Literacy Mission

Worldwide, 67 million children have no access to education,

and over 775 million people, over 15 years, are illiterate. Rotary understands this and members support educational projects that provide technology, teacher training, vocational training, student meal programs and low-cost textbooks to communities. Rotary India Literacy's goal is to strengthen the capacity of communities to support basic education and literacy, reduce gender disparity in education and increase adult literacy.
