

ROTA WEST

PRESIDENT'S MESSAGE

Dear Best West Rotarians,

It gives me great pleasure completing a fruitful month - September. We had our first physical gathering for the year with a family get together at the temple Palamalai. All of us were happy to meet and greet. This month was a double dhamaka wherein we had two eye camps and two corona vaccination drive apart from inducting two new members. All the four camps were so satisfying that the response was amazing. On the occasion of the Teacher's day, 10 Principal's of rural schools were honoured with Nation Builder award. We planted trees in the school campus and the first physical speaker meeting was well attended with a record attendance.

We wish we have many more meaningful meetings in the months to come.

Thanks to all the chairmen who made all these projects possible.

Warm regards
Rtn. T. Goodwin Saravana Raja

EDITOR'S MESSAGE

Dear Friends,

With the fear of COVID diminishing and vaccinations being completed, the month of September saw the execution of many noteworthy projects!

"Education is not a problem. Education is an opportunity" says Lyndon.B.Johnson.

Out of the several projects, the educational project perfectly aligns with the Rotary theme for September- Basic Education and literacy! Education paves the way for equality of all sorts.

Secondly, at this juncture I fondly and respectfully remember my Teachers who imparted Education and knowledge to me! We are what we are because of you Teachers

Like in the previous months, our team has put together an array of Rotary West projects with dedication and spirit! Hope you enjoyed reading through!
Stay blessed! Stay safe!

**Regards,
Asha Devadas**
